 **Our new contactless Dona giving device** is in the narthex. All you do is choose what you are

making a payment for, e.g. Piety Stall and then swipe your card. If it is a possible gift-aid donation you will be asked to submit details the first time, but from then on the system will remember you and apply gift-aid each time you use it. For regular giving the standing order to our parish account is still the most efficient way to support the parish, but we expect this device to help many other donations to be made and it also links to the QR code above.

Monday 8th January: ALPHA Prayer Video. For the Year of Prayer we will offer this video, week 5 of the course, as a starter and also a taster for Alpha itself. 7.30pm in the hall or presbytery depending on demand.

SPAN Meeting on Monday at 7.30pm is by zoom, contact paulhayden444@gmail.com for joining information.
