Report on the Parish Visitation: This was a very positive response from the Diocese. There is a copy on the board in the hall.

First Holy Communion Mass: Sunday 16th June, 10.00am Mass. Come and pray for the children and their families.

Mass for the Sick: will take place here at St Joseph's on **Tuesday 18th June at 11.30am**, followed by lunch in the hall.

GENERAL ELECTION: With a UK general election having been called for July, politicians are looking for our votes – and will be listening to what voters want.

As Catholics, we have a responsibility to make sure political parties commit to tackle the injustices that affect our global family and to care for our common home.

It is important to know our prospective MP's views on the things that matter to us. To this end, the SVP and CAFOD are inviting parishes to reach out to local candidates ahead of the next election. This is not about political affiliations but about equipping parishioners with the questions which they can put to candidates about such issues as the cost of living crisis, migration and asylum, debt cancellation etc.

In order to assess the level of interest in participating in this initiative, please contact Brian Malone (07724845801) or Anne Buttrum (annebuttrum@talktalk.net).

Hospital Chaplaincy: It is always important when you are admitted to hospital to make sure that your Catholic Faith is recorded under Religion, and that you request to see chaplains when they are able to visit. In emergencies you can also request a Catholic Chaplain to be called. Fr David is now Catholic Chaplain for Warwick and its associated hospitals with wonderful on call support from other local clergy.

Men's Group: Next meeting at 7.45pm Thursday 20th June for a meal at The Ruby Chinese Restaurant, Park Street, Leamington Spa CV32 4QN. They have standard 'gluten free' menu items and can cater for some other allergies if they are informed in advance. It would be helpful if people could confirm attendance to Peter Lawson or Fr David by 13th June, with any special dietary requirements.
