Season of Creation: Hope. Hope is an instrument enabling us to overcome the natural law of decay. Hope is given to us by God as a protection and guard against futility. Only through hope we may realize the gift of freedom in fullness. Freedom to act not only to achieve enjoyment and prosperity, but to reach the stage in which we are free and responsible. Freedom and responsibility enable us to make the world a better place. Only when we work together with Creation can the first fruits of hope emerge.
