Loving Father, hope is a kernel of light and strength which dwells in our hearts in expectation of good things to come. Light up our lives with your love so that we may be signs of hope. Hope shines brightly but the burdens of life can dampen its glow. Lead us as pilgrims on a journey alongside our brothers and sisters as we respond to your Jubilee call. Renew our faith and move us to action as we commit to building a better world. Light up our lives with your love so that we may be signs of hope. Amen *CAFOD*
