Creator God, because of your abundant love you chose to bring light and order into the formless void, to create a world of unsurpassed beauty and you saw that it was good. We ask that you continue to recreate the world with that same attentive love, to bring light into today's ever increasing chaos and darkness where we have failed to be stewards and carers of your creation. Replenish our hearts so that we too can renew the face of the earth. Amen. (CAFOD)
