**"It is when I am weak that I am strong" (Paul 2 Corinthians 12:10)**

We are now at the halfway stage of Jubilee Year of Hope 2025. The Jubilee Committee has reflected on the events of these past six months, reviewing what was good and should be retained, not so good and could be improved, and what else can be offered to help meet the needs of our widespread parish.

The attendance from parishioners was quite modest. I had hoped for more. My disappointment, not my judgement, will prompt me to ask some searching questions, questions that are being asked worldwide among churches of all denominations and among all age groups.

In our expanded Deanery Forum – covering parishes from Rugby to Bicester – you'll not have failed to notice that there are less priests available and that their ages are approaching the higher numbers, if not already there!! Of course, because mobility seldom poses problems for a current generation, many already drive to Mass and they could, therefore, easily find Sunday Mass in many churches throughout this deanery.

That is, if what you are looking for is Sunday Mass. Or do you want/need more?

This question presents an invitation and a challenge. Just what do you expect/need/want from a parish and/or a priest (parish priest)? In his book, *Transference and Transcendence*, the author Daniel Liechty begins each of the ten chapters with the same question: "*what makes people act the way they do?*" If you can ignore the complex title, how willing are you to address the author's question: "*what makes you behave as you do?*"

Parishioners who engaged with the process, and with the events, of these past six months will, no doubt, have experienced community – communion with others – centred on St Anne's Parish. For others, this is something to be anticipated. Parish, in our religious sense, should be a place where we connect with each other and with something larger than ourselves. We become bigger because we belong. And we belong when we see a purpose in belonging.

There were successes and failures during this past six months. Read on for the events of Jubilee Week. However, invitations to train as Extraordinary Ministers of the Eucharist, to learn how to deliver a Eucharistic Service, to engage in further training to proclaim the Word of God (Readers) brought little or no response. My thanks to those who did come along. Neither I nor the Jubilee Committee are discouraged by this, and we will present to you, in the coming weeks, a programme to carry us through to 6 January 2026, the end of Jubilee Year 2025. Attending to the question above, "*what makes you behave as you do?*", perhaps more of you may be enticed and encouraged to get involved. Much of what will happen will be new. Yet, we really cannot continue the way we are, can we?

We will be working closely with the surrounding parishes – clergy and laity - in sharing our resources and competencies. We have this opportunity to 're-design' the Catholic Church to which we belong.

***Why not join in and extend your title 'parishioner' beyond Sunday morning Mass?***

## Jubilee Year of Hope 2025 – St Anne's Jubilee Week

### Day 1 – Sunday 8 June 2025 - Pilgrimage Walks

Well, I can safely say what a turnout!

My thanks to the Jubilee Committee who tasked Sean O'Rourke and David McLoughlin with co-ordinating these pilgrimage walks. The idea came from a visit to Open Gardens in Bourton last June that awakened in us the desire to re-visit the 'Pilgrimage' Walks that we have done for many years pre Covid from Princethorpe College and from St Marie's in Rugby on occasion. I am told that conversations on the day were inspiring and uplifting as was the Mass celebrated outdoor on the terrace at Wappenbury that evening.

*The Rugby Pilgrims*

*The Leamington Pilgrims*

*The Coventry Pilgrims*

### Day 2 - Monday 9 June – Faith Leaders Afternoon Tea

Although a disappointing response from many who were invited, we did have as guests, Rev Anne Hall, the vicar of St Mary's Church, Cubbington and Rev Canon Richard Suffern, Holy Trinity Church, Long Itchington. With a few other parishioners it was a splendid opportunity to sit and chat and listen to each other's experiences. Thank you to the helpers during the afternoon for looking after everyone so well. The cakes were wonderful, as ever!

The Afternoon Teas – ever so posh - are always so well set up and served by those able to support this idea of bringing various areas of our parish and wider community together. For various reasons, making contact within the villages proved problematic. The committee will look again at this in the next couple of months.

### **Day 3 – Tuesday 10 June 2025 – The History of St Anne's**

With a packed St Anne's Church, Paul Waddoups, one of our parishioners, and passionate historian, gave a fascinating presentation on the long-held belief that St Anne's and the site we sit on has a rich heritage, secular and religious.

We listened and watched the presentation with a better understanding of how St Anne's came to be. Thank you, Paul, for all your research and the efforts you expended in your research for this presentation.

Other presentations to follow later this year.

### **Day 4 – Wednesday 11 June 2025 - St Martin's Gospel Choir, Finham, Coventry**

With a rapt audience, St Martin's Gospel Choir from Finham, Coventry raised the roof of Our Lady of the Angels' Chapel, Princethorpe College. To their credit, they are proud to present only gospel music.

Led by Choir Leader Sandra Taylor and assisted with sound and IT by her husband, Rev Matt Taylor, Vicar of St Martin's, the choir did themselves proud singing a varied repertoire of wonderful gospel music.

The audience was invited to join in on several occasions. It was wonderful way to engage everyone in the uplifting music and song.

A collection was taken during the interval to support the work of St Martin's Church.

Thank you to Sandra, Matt and the choir and special thanks, too, to the IT support team from Princethorpe College, Sanj and Elliott.

### Day 5 – Thursday 12 June 2025 – Reflective Time At St Anne's

A suggestion from one of our young adults that we do not need to be active all the time, the committee set aside Thursday as an opportunity to come to St Anne's, to sit quietly in the chapel or on the Terrace, and to let your life be still for a short while. It was wonderful to spend quiet time with people who just needed space to process their life's experience and to have time to pray.

Refreshments were available on the terrace as we sat and just wondered, as we reflected on what we have received in this beautiful place on this stunning planet.

### Day 6 – Friday 13 June 2025 – Young Adult BBQ and Quiz

The lifestyle of young adults is sometimes tarnished by the media, presenting them in a very negative light. Not this Friday evening, And not with these young adults. *"It was good just to sit and to chat, sensibly, with others, to answer silly quiz questions and – eventually once the coals were glowing!! – to share some food"*. These nine young adults confirmed their wish to meet again – so do please watch this space! And join in!

### Day 7 – Saturday 14 June 2025 - Family Fun Afternoon

An afternoon of games for the children and the chance for our families and friends to enjoy a few hours together in the surrounds of St Anne's.

Picnic baskets appeared with all sorts of goodies and drinks while the children played with Hoola Hoops, Bash the Rat and the Hoop Game. Little bags of sweets were the prizes, and fun was had by all who came along. Thank you for coming!!

**Day 8 – Sunday 15 June 2025 – Jubilee Week Celebration Mass with His Grace Archbishop Bernard Longley, Archbishop of Birmingham, and Fr Dominic Coslett from Cathedral House, with Frs Alan and Teddy MSC**

Our Jubilee Week culminated in a beautiful Mass in the Chapel of Our Lady of the Angels', Princethorpe College concelebrated by His Grace, the Archbishop of Birmingham, Bernard Longley, Fr Dominic Coslett, Fr Alan Whelan MSC and Fr Teddy MSC.

In addition to the parishioners of St Anne's parish, invited guests included couples who had been married at either St Anne's Church or in the Chapel at Princethorpe College since 2000, and families that had had children baptised in either church, also since 2000.

Members of the choir of St Peter's, Leamington Spa supported us by singing so wonderfully together with our own parishioner, Mary Owen. Mary played her guitar and sang for us during communion, and, after communion, we reflected as the choir sang *"The Lord's My Shepherd"* (Townsend). The ceremony was greatly enhanced as Ian Leonard accompanied us on the wonderful Princethorpe organ.

Following Mass light refreshments were served in the College Sixth Form Centre for all to enjoy each other's company and to say hello to friends old and new. His Grace took time to engage with anyone and everyone. Archbishop Bernard wrote to me: *"Many thanks to James and the fine group of altar servers, to your organist and choir for the beautiful music at Mass. For the welcome refreshments provided after Mass and for the splendid lunch al fresco at St Anne's afterwards. My prayers and thanks to all for a delightful visit"*.

**Other Events during Jubilee Year**

**1. Report on the Parish Course on the Church – Chris Harris**

From Chris Harris

*"Twelve parishioners signed up for the short course on The Church. It began at Easter and concluded on 13 June 2025.*

*During these six weeks, Pope Francis left us and Pope Leo was quickly elected as his successor. Some of the topics we discussed during the course therefore took on an urgent relevance. Is the Church about to change? Pope Francis wanted a Synodical-minded Church. Would Pope Leo carry on from where his predecessor left off? There has been much to reflect on!*

*The format was new to many of us. The course-materials were shared by email attachments in six manageable units. There were facilities provided for interactive feedback - either by email or face-to-face after the 10.30am Mass on Sunday. The feedback so far could be described as "universally encouraging". Father Teddy has kindly invited all twelve of us to meet in his lounge for a general discussion and review of the whole course.*

*This way of doing Adult Religious Education clearly has advantages. We do not have to turn up for a series of get-togethers: increasingly difficult to organise with the busy lives many of us lead. We can reflect on the course-materials at any point in the week convenient to our routines. It's all very flexible!"*

I anticipate that Chris will offer this again in the future to those who display interest.

**2. Pilgrimage to Littlemore, Oxfordshire**

On 22 March 2025, clergy and laity from surrounding parishes travelled on pilgrimage to Littlemore, Oxfordshire where, on 9 October 1845, St John Henry Newman was received into the Catholic Church by Blessed Dominic Barberi. The day began with Mass in the chapel followed by a tour of the estate conducted by the resident sisters. The prayer day concluded with a time of quietness before the Blessed Sacrament exposed.

More pilgrimages will follow later this year

### Introducing A Refreshments Rota After Mass At Wappenbury

The After Mass refreshments are a huge success. It would be very helpful to introduce a preparation and clear-up rota from Sunday 29 June at Wappenbury.

Basically, it would be arriving at Wappenbury for 8.00am, filling the flasks with hot water, laying out the mugs with tea and coffee etc. At the end then loading the dishwasher and wiping down the work surface and leaving the kitchen tidy.

Jules and Sarah are happy to show you what to do. Rota to sign up will be in the porch. Please help out when you can.

### **Health And Safety Around The Site Of St Anne's Church – Important Message**

The grounds and surrounds of St Anne's Church have several steps. I ask you all to be more aware of these possible hazards when you enter and leave the area.

If you have a mobility walker or need some other form of support for your independence, please note you should use the entrance through the cemetery. The gate on that side of the terrace will be open. This is the safest route to access the terrace. It was used successfully by another parishioner last week in a wheelchair.

The St Anne's Parish Council take all our safety responsibility very seriously. I would urge you to be vigilant when you come to St Anne's to enjoy the unique gift we have here. Thank you.

#### **About Little Crackers**

Little Crackers is an outstanding nursery situated within Crackley Hall School (4-11) in Kenilworth and is part of the wider Princethorpe Foundation which educates over 1,400 children.

The nursery benefits from a close working relationship with Crackley Hall and has dedicated [RD1](#) indoor and outdoor areas: backing onto beautiful woodland our light and natural nursery rooms give children a blank canvas to experiment, create, explore and learn.

Currently structured for two-year olds, three-year olds and pre-school, we believe that it is never too early to start on an exciting journey into learning and are planning to extend our provision to include babies from 9-months-old from Autumn 2025. The new Nursery Manager will play a key role in this transition.
